

SUSQUEHANNA TRAIL WOODWORKERS GUILD

MESSAGE FROM THE PRESIDENT

Hello to all from the snowy outskirts of Seven Valleys. I hope everyone is safe and well. I've been asked to write an exit letter as I step down as president.

First of all I want to thank each and everyone of you for giving the opportunity to serve. I have made so many new friends, good friends and I think we all shared some good fun times.

Second I'd like to thank those that stepped up and did presentations for us. Each one was unique in it's own way, and also very interesting for the topics that it covered. I always heard and received good comments and to keep up the good work, which we've always strived to do.

Finally I would like to thank the officers and board members who served along side of me, I have said before – a leader is only as good as the people he surrounds himself with. Believe me, in my case that was so true. Many sincere thanks go out to Diane our secretary who typed up so many text messages, emails and written letters.... she also kept me straight and in line and toed the mark. To Drew, you are a wizard, you have done such an amazing job with the STWG web site (you should do that for a living LOL) your creativity and the thought you put into your endeavors don't go unnoticed. To Rick our treasurer, thank you for all your work in crunching numbers and having totals ready for me before meetings- you're a feisty one that's for sure, but I love old people lol. To Tracy, thank you for your willingness to take on anything that I threw your way. A big thank you for taking on the wood show in Timonium, that's a job in itself. I wish you all the luck in the world as you take over as the new president. To Dom, thank you for all that you've done to keep our meetings going each month, before this pandemic happened some of us didn't even know what zoom or google meet was. Thank you to Mark B, you never failed to come through for me for ideas or help for our meetings. Last but certainly not least, thank you Jack for your help with the in person meetings by walking around selling your raffle tickets. I wish I could give an accurate grand total to date of the money you have raised for our group, thank you.

I hope I haven't forgotten anyone, and if I have I apologize.

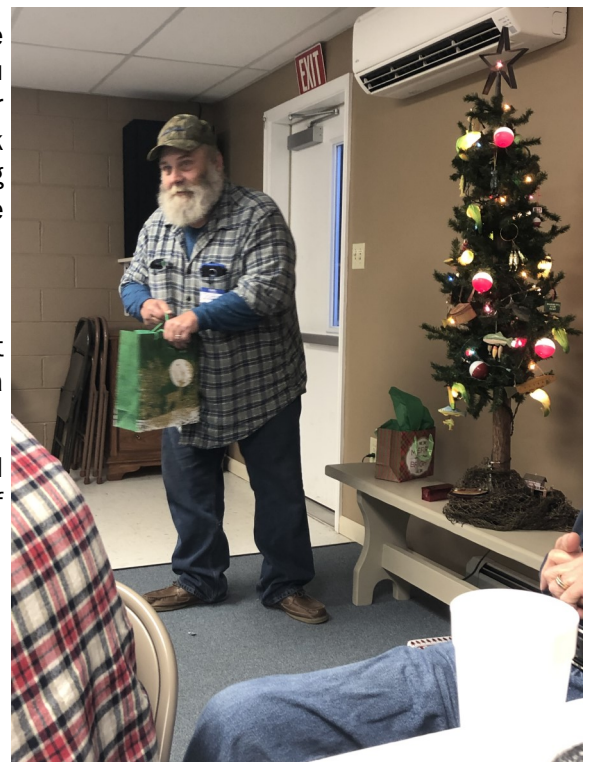

Our board members never stopped amazing me, they always went farther than I ever imagined or expected. Thank you all I am a blessed man by all your actions and deeds.

I know you the membership will do all you can to support Tracy and the new board in any way possible after all, the more that each of us put into this group the more we will get out of it.

For one last time I will say.....

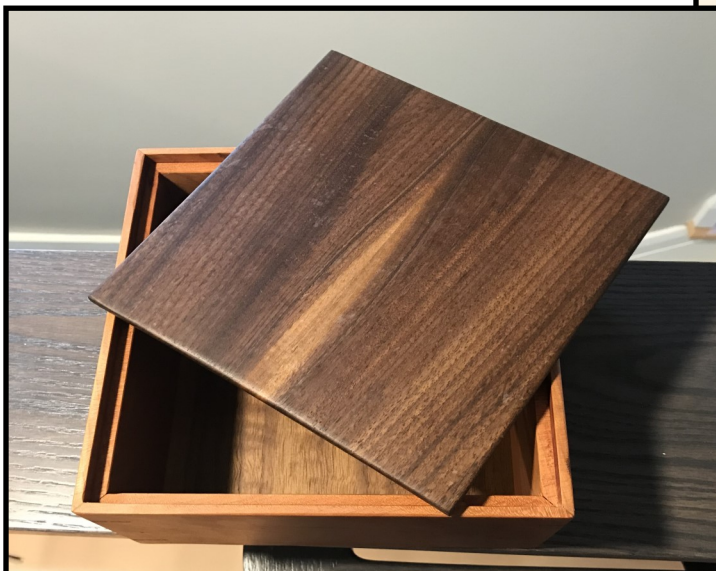

Keep the sawdust flyin.....

Thank you - Scott
