SUSQUEHANNA TRAIL WOODWORKERS GUILD

MESSAGE FROM THE PRESIDENT

Hello,

After all these weeks hunkered down in your bomb shelters I hope everyone is healthy, and starting to see the light of day.

We will be having a zoom meeting on June 25th, at 7pm.

Please join us, and if you can, please show us what you have been working on in your shop. There will be a link emailed to each member to be able to join in. This is a first for us, but it should be fun. We're also going to have a family picnic on August 29th, at William H Kain park from 12 noon to ? Everyone is welcome, and please bring your family, kids, grandkids more info to follow later (closer to the date)

Stay healthy and safe & keep the sawdust flyin'

PICNIC AT THE PARK—SAVE THE DATE

We're planning a summer picnic on Saturday, August 29th. William Kane Park, starting at noon. All family members are welcome. More information to come. Save the date!

PRESIDENTS CHALLENGE

Since it's summertime, how about we celebrate that, and make something to enjoy/use outside.

There are 3 categories:

#1 Games - you could make corn hole boards or Yardzee game something that can be played outside.

#2 For the birds and other critters - bird houses, feeders, bat houses.....

#3 Furniture and other structures - adirondack chairs, patio chairs, picnic table, planter boxes

Large items can be photographed, and a printed copy of the photo submitted in place of actually bringing the item. If you would like to do this, it's suggested that you take two or three photos from different angles.

Project can be painted, stained or left natural.

Entrant must be the builder, and all projects must be built between March 1st and August 28th, 2020. Judging will take place at the summer picnic.
