STWG

SUSQUEHANNA TRAIL WOODWORKERS GUILD

FROM THE PRESIDENTS DESK

October was the guild's business meeting. And during it, we elected new officers. 2 years ago I took over as President and I was happy to do so, but life gets in the way. This year we had our 4th child and I found it very difficult to devote as much time to the guild as it deserves. Luckily I had a whole team of fellow board members to help pick up my slack, but it is time for some new blood.

I am happy to report that in October, Mark Conley was elected to take over as president. He has been a very active member of the guild, and of the board, so I couldn't be happier. I know he will do great. And at his request I will remain on the board as an advisor to provide as much help as I can.

Similarly Drew decided to step down, and Eric Alvarez was elected VP. Drew will remain on the board as the web master and newsletter editor. Tracy - begrudgingly - accepted the position of Treasurer. This leaves the spot of secretary vacant as well as several board posts. If you are interested in being a more active member of the guild, please feel free to contact Mark directly, or email stwg1@outlook.com.
