SUSQUEHANNA TRAIL WOODWORKERS GUILD

FROM THE PRESIDENT'S DESK

Seasons greetings and Merry Christmas from all of us to all of you! It's been a long two years and I can't tell you how glad I am that we've started meeting again in person. It is wonderful to see each of you face to face and be in a community with you. We'll be seeing each other again soon for our long-awaited Christmas party! There is no President's challenge this year, but please have each member of your family joining the party bring a fun gift (worth \$10 or less) to take part in the merriment. I hope you have each been enjoying the start of the holiday season and keeping warm in your workshops as the cold sets in.

Remember to stay safe and keep creating!
