SUSQUEHANNA TRAIL WOODWORKERS GUILD

FROM THE PRESIDENT'S DESK

It's hard to believe it's been a year since I took the president's role. We've seen so much change in the last year - some good and some not so good.

Even though change can be hard, that change can help us grow and broaden our horizons. So I'm asking everyone to think outside the box for our next meeting. For this month's "thinkers question" I would like everyone to come with at least one idea of what you would like to see or learn over the next year. If you have someone that knows something about it, that's even better!

Also, I'm asking you to consider one of the roles we have open. None of the roles should take more than a couple hours a month and doesn't require any special skills. Believe me... if I can do it, you can too! If you're interested, please reach out to me before the meeting.

This month is our annual business meeting so we'll give you an update on where we stand with our budget, open positions, and ideas for 2023. We'll also revue our bylaws. This portion should not take long so we'll still have a presenter and Mark's Minute, so be sure to attend.

I'll see you all on Thursday!
