# SUSQUEHANNA TRAIL WOODWORKERS GUILD

## PRESIDENTS LETTER

*"Show us a man who never makes a mistake and we will show a man {or woman} who never makes anything. The capacity for occasional blundering is inseparable from the capacity to bring things to pass."*

*~Herman Lincoln Wayland (1830-1898)*

For this month's show and tell, show us or tell us about one of your blunders and what you learned from it.

Don't forget, this month is the business meeting. Please take a couple of minutes to review the bylaws and look at the positions available. Most of the positions only take a couple of hours a month - at most. So, if you have some time to spare, we could use your help. No experience necessary!

We'll see you Thursday!

Stay safe and keep creating!

Tracy
