STWG

SUSQUEHANNA TRAIL WOODWORKERS GUILD

MESSAGE FROM THE PRESIDENT

A lot of folks don't work in their shops over the summer due to vacation, heat but start back up at this time of year. Please remember shop safety, keep your 10 fingers, and protect those eyes. It only takes one time of not thinking, or rushing to do something that causes an accident to happen.

Have fun and be safe. Keep the sawdust flying

Scott

Beware: the president's challenge is coming!
