# SUSQUEHANNA TRAIL WOODWORKERS GUILD

## FROM THE PRESIDENT'S DESK

It's hard to believe it's been a year since our world was turned on its head. Who would have thought we would still be 'social distancing' and the 'norm' is wearing face masks? We, as woodworkers, know how a face mask protects us. Now the rest of the world knows. But we are resilient and we'll all get through it. Heck! We know how to make something beautiful out of a dead piece of wood!

With our new way of doing things, We've had to think outside the box for our virtual meetings. Colin Knecht, with WoodWorkWeb agreed to join us for our January meeting. Colin provided an information-packed presentation providing us with some great information on tools, circular saw blades, and how to find inexpensive wood. I think this month's presentation on resin by Jamestown Distributors should be just as interesting, so be sure to join us.

Until then... Stay safe and keep creating!

Tracy

### FEB. MEETING: TOTAL BOAT RESIN

The next meeting is scheduled for Thursday, Feb. 25th, at 7 pm. Our guest will be Jamestown Distributors, for Total Boat Resin. Watch your e-mail for a meeting link. (The links you've used in the past will continue to work.)

All STWG meetings, and other upcoming events, can be found on our web page.

[www.stwg.org](http://www.stwg.org)

The board has made the decision to suspend 2021 dues until we resume in-person meetings. At that time, dues will be prorated based on how many months are left in the year. It's unknown when we'll be able to resume our usual meetings.

## QUESTIONS TO CONSIDER

Some topics to consider in preparation for our next meeting:

1. What are some things you like, and dislike, about your shop? What would you like to change?
2. When working with wood, have you ever found anything unexpected?
