THIS MONTH'S MEETING

The next meeting will be held at the Agricultural & Industrial Museum of York. Dennis Kunkle will be demonstrating drawer repairs for antique furniture. He will have a c.1830 curly maple chest of drawers from a tavern in Ohio. Sawdust and shavings will be produced!

DIRECTIONS

From the south, take Rt. 83 or the Susquehanna Trail straight into York. Turn left at the Post Office (Princess Street) and proceed 2 1/2 blocks to the museum on your right. From the north, take George Street into York, through the square. Turn right at the post office and proceed 2 1/2 blocks to museum on your right. From the west, take Market Street into York, cross over the Codorus Creek, turn right at the light on Pershing Ave and go 2 blocks to the light on Princess Street. Turn right and the museum will be on your right. From the east, take Rt. 30 to George St and turn left (south) into the city. Go through the square and turn right at the post office (Princess Street) and proceed 2 1/2 blocks to the museum on your right. There is ample parking in front of the museum as well as the parking lot across the street.

BIG THANKS to Ray for hosting last month's meeting. Check out some pictures of Ray's shop in the Show & Tell section.

LAST MONTH'S MEETING

Last month's speaker was our Vice President, Dennis Kunkle. Dennis attended Millersville College to become a shop teacher. After teaching metal shop for 1 year he decided this was not for him so he began working in different shops where they dealt with stripping and repairing antique furniture. Dennis talked about and showed slides of the different ways to strip furniture. Also in the slide show he showed many examples of antiques that he has restored. He concluded his speech by showing examples of a few pieces that he made (see photo's on next page) and telling about some of the problems he had to work out when he made them.

Dennis will be our speaker again at this month's meeting. Plan now to attend what I am sure will be a very interesting and informative meeting.

More work by Dennis

The first Susquehanna Trail Woodworkers Guild Show

The show will be held at York County Heritage Trust on Sunday July 10 from 2pm to 4pm. All items will then be displayed for 1 month upstairs on their mezzanine. Plan now to attend the show and also place some items in the show.

Look for more information on show set-up in the next newsletter.

CLUB PICTURES

I am sure that you have all noticed the great pictures that I use in the club newsletter. These pictures are taken by our club photographer Bob Aspey. Bob takes many more pictures at each meeting that do not make it into the newsletter. So that everyone can see all the pictures, Bob will be creating a CD that you will be able to play on your computer or in a DVD player on your TV. Please continue to bring in more Show & Tell items so that we can include your work on this CD. We hope to have this available later this year.

SAFETY TIP

By Lloyd Shellem an

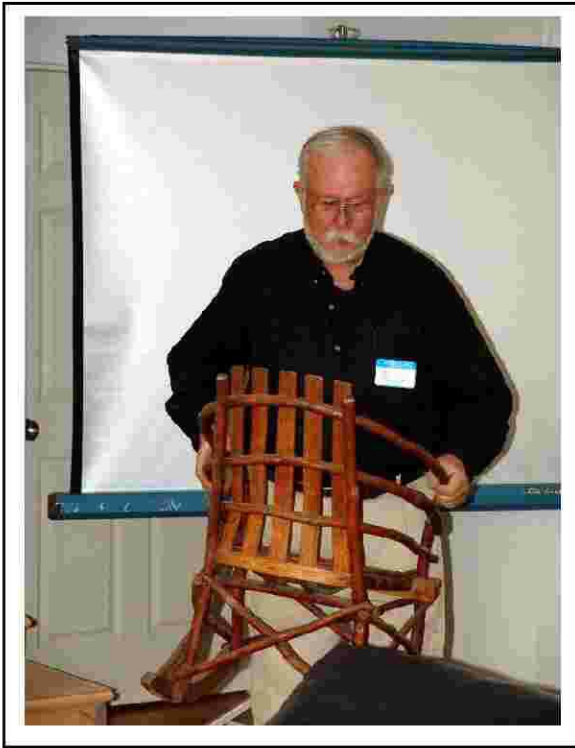

Many of us work alone in our shops, because of this we should all have a phone in the shop to call for help if an accident should occur.

WANTED

I would like to borrow or buy Fine Woodworking magazine # 54 published in 1985. Segmented turnings on front cover
