PRESIDENTS MESSAGE

Joie Henney reports that things are going good, no broken toes. The shop needs more work but work is coming in and that is good! The shop still isn't what it needs to be but I have to go on. I hope everyone is making a lot of saw dust and not breaking any bones. Please be safe out there. See you at the meeting!

THIS MONTH'S MEETING

Mike Galloway will be speaking about finishing. He has a great deal of expertise and will be sharing his knowledge with you. We hope you can attend the meeting. You can be sure you will take away more than just a few pointers from Mike. You will be able to take your finish work to the next level!

APRIL MEETING

Last month's speaker was Dennis Kunkle. He shared several antique tools and objects from the York County Heritage Trust's collection. Attendees were invited to guess the names of the individual items. Only one guest, Phil Dotson was able to correctly identify all of the items. Unfortunately we do not have any way of contacting him as we do not have an email address or a phone number. If you were not able to attend the April meeting there are photos of these items on the next page. You can test your knowledge by seeing if you can name the tool. The answers appear later in the newsletter. We also want to thank David Fox for the photos that he took at the meeting.

ADDRESS SERVICES REQUESTED

Do you think you could cut these dovetail joints without a special jig????

If you are receiving this newsletter by mail and are able to receive it by email, please provide Allen Brittell with your e-mail address. This will help save a tree, giving you more wood for use in your workshop!

If you have a change of address, either postal or email, remember to let Allen know.
