CLUB PHOTOGRAPHER..... Bob Aspey
LIBRARIAN..... Charlie Galloway
SUSQUEHANNA TRAIL WOODWORKERS GUILD DUES
\$24.00 per year

CLUB EMAIL ADDRESS -- woodworkingclub@yahoo.com

THIS MONTH'S MEETING

Our speaker for this month's meeting will be Dennis Kunkle. Dennis will talk about the history of veneer (Yes, it goes back to ancient Egypt), myths (it is used for cheap furniture), application methods, sources of supplies, cutting, and problems to avoid. He will demonstrate his techniques for veneering on a project.

TOY PROJECT

Ray de Gennaro and Allen Britell went to the York Hospital and talked to them about donating toys for the kids. They said that they would be very happy to receive toys for their children's waiting areas. The good news is if you do not have time to make something by Christmas you can make it at a later date since they can take them at anytime. If you still do not know what to make, just see Ray and he will be happy to help you out with some patterns.

PLANNING MEETING

There will be a planning meeting following our regular meeting (Dec 1) to plan some of the meetings for next year. All officers are asked to attend along with anyone else that might like to sit in and help with the planning. Let us know what programs you would like to see and we try to set something up.

LAST MONTH'S MEETING

Bob Aspey was our speaker at last month's meeting. Bob talked and demonstrated how to dye wood. He showed many different products that are available and gave some pros and cons for each one. He then took us through all the steps involved in dyeing a piece of wood. Bob said you need to do a lot of trial and error work to get just the right colors that you are looking for. This is one part of the project that you do not want to rush through.

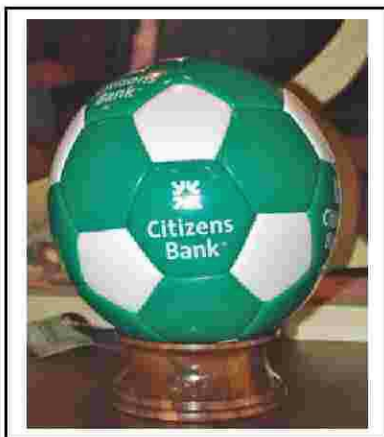

SHOW AND TELL

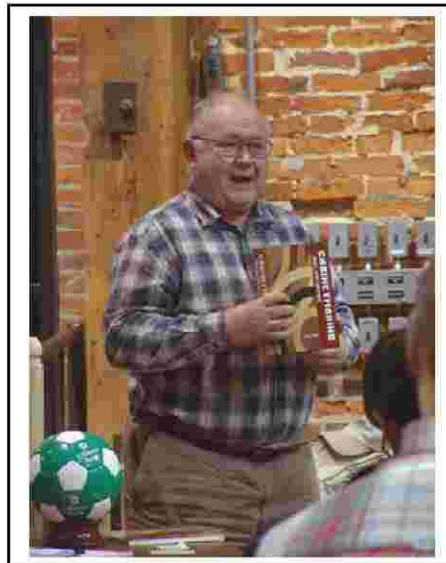

Walking stick by Carl May.
Cherry and Walnut with Elk horn handel
and handcarved woodpecker.

Porch bracket by Bob Aspey. Bob
explained how he made the templates to
make sure that all the brackets were the
same.

Bob Aspey made this base to
hold a Citizens bank ball for a
benefit auction.

Lloyd Shel leman showing some of the books
that he picked up on Ebay . Lloyd donated 2
books to the club library.

Another Ebay find. Dennis got
this 1850 shaving mirror for
\$60.00

One of many Airplanes that Bill
Warner made for our kids toy
project

Veneered table top by Dennis
Kunkle. Don't miss this
month's meeting where
Dennis will talk about
veneering.

FOR SALE

The workbench on top is a 19th century type. It is complete with original dovetailed drawer, 2 wooden vises, 2 bench dogs and is well used. Some rot on the feet was carefully sawed off and extensions were applied to bring the bench to a useable height. I paid \$165.00 for it and put considerable time into it. I'm asking \$225.00

The workbench on the bottom is an early 20th century type. It has three vises, an unoriginal dovetailed drawer, and is very heavy oak. There is nothing fancy about it, but it is very solid. It is \$60.00

See Dennis Kunkle at the next meeting or call at 968-1592
