PRESIDENT'S MESSAGE

WELCOME WELCOME WELCOME

I sincerely hope that all of you will be able to attend our social. Bring a little to eat. We will have soft drinks, beer and wine for drinks. Bring along a project that you have recently completed. I will have a large one there for you to see, my house, which is still an on going project.

Our meetings are so structured that we do not have a lot of time to just talk with each other. Get to know your fellow woodworkers and their spouses or companions. So, everyone come. We're having a holiday party!!!!

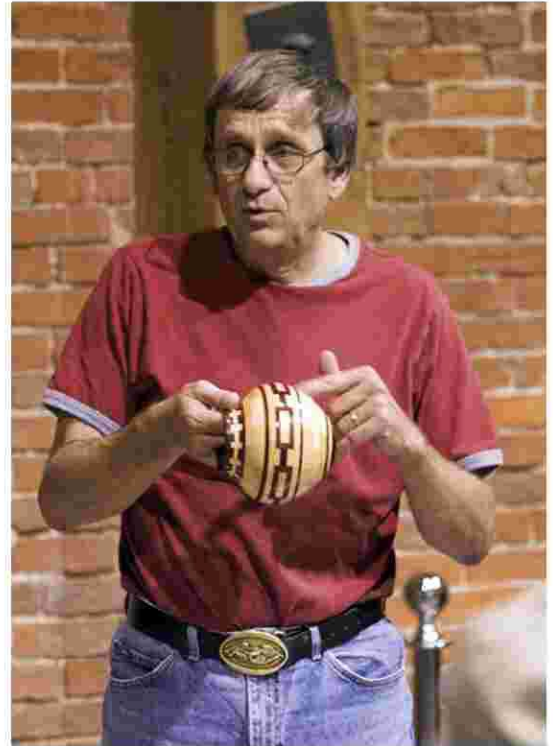

THIS MONTH'S MEETING

We did not meet during the month of November due to the Thanksgiving holiday.

We will be hosting the Third Annual Holiday Get Together for the Guild at President Ray Parson's home (see the map on page 3). You and your spouse/companion are invited to attend from 2:00 to 5:00 pm. We hope to see you there!!!

LAST MONTH'S MEETING

Our own Mike Galloway gave a very insightful talk at the October meeting about making his beautiful segmented turnings. He covered the lengthy process involved in creating these works of art.

WOOD WORKS 2007

The Guild was very fortunate to have a display booth at the recent 2007 Wood Works Show held at the York Expo Center on November 9-11. Guild members volunteered to work in the booth and helped to generate interest in our club. Many members brought in examples of their work and the many visitors complimented us. In addition, Wood Works had a competition and several members received ribbons. Our own Dennis Kunkle won Best of Show with his miniature chest of drawers. See the photos taken at the show by Bob Aspey (on page 5)

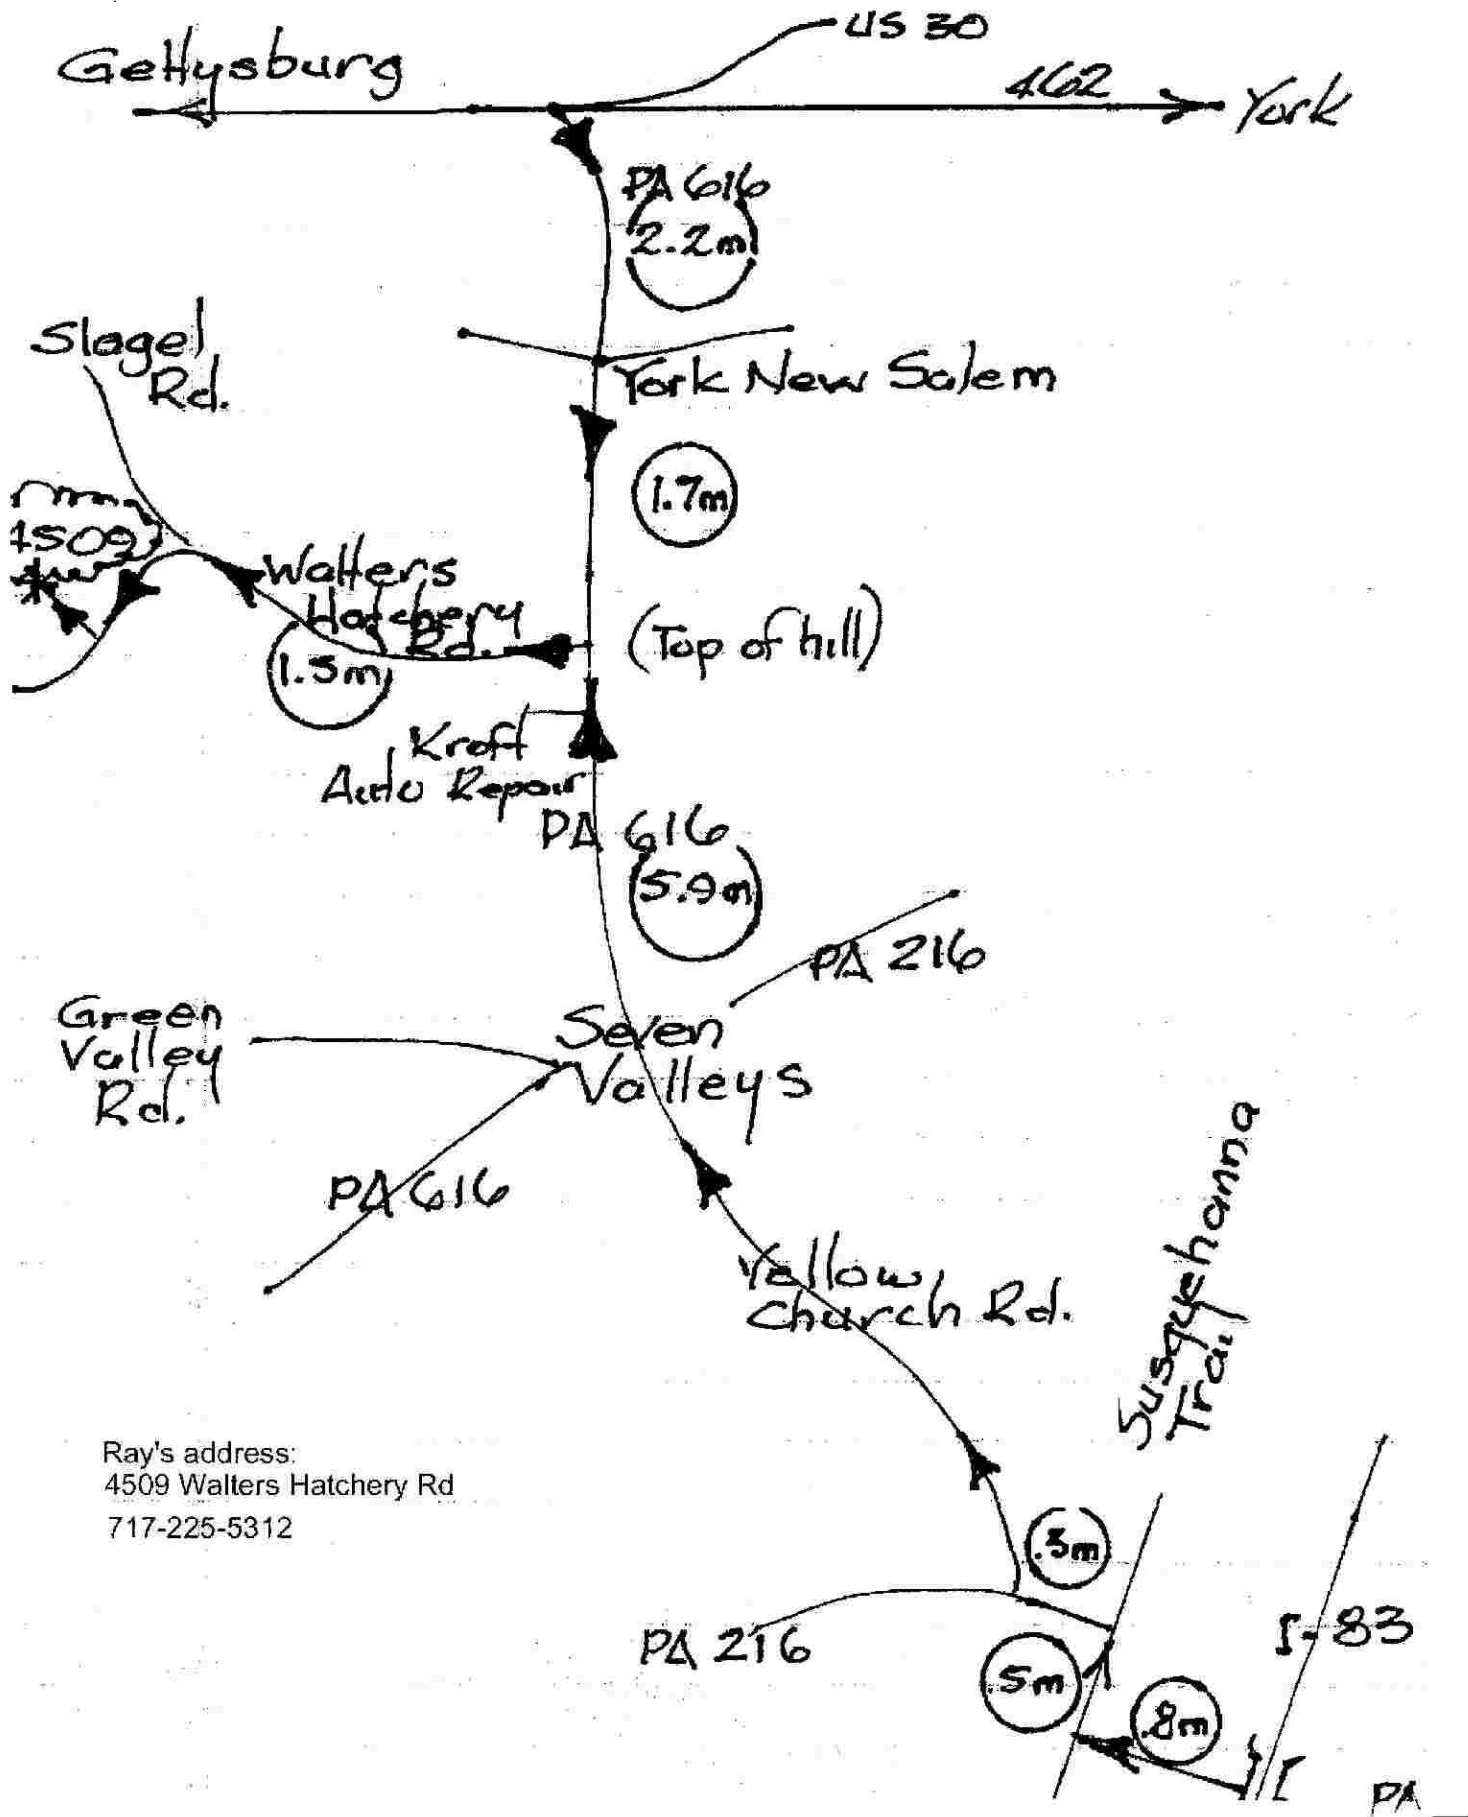

including his blanket chest which also placed.
