Next Meeting Date: September 28th

Normal Location: York Town Craft Guild

639 North Franklin St

York, PA 17403

Time: 7:00 PM

PRESIDENT'S MESSAGE

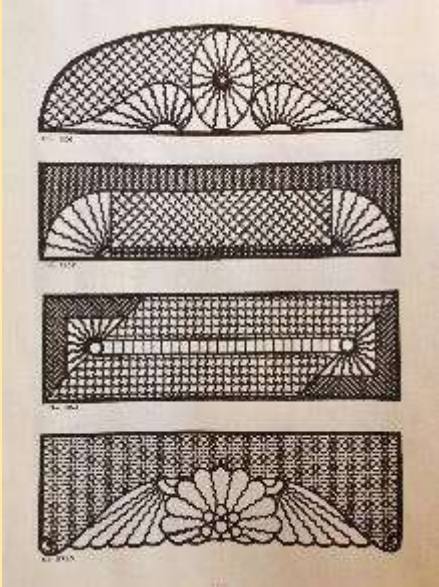

Last month, Guild member Mark Bortner arranged a special visit for us and a presentation on Moorish Fretwork. Paul Tucker is a published expert on this unique method of woodworking that originated in the 1880s. It involves taking milled spiral mouldings and then "weaving" them together to create many different ornamental patterns and designs.

Take a look at page 2 for some photos from our last meeting.

LAST MONTH

Moorish Fretwork – Presented by Paul Tucker
